

Records of District Level Workshop on
Rastriya Swasthya Bima Yogna –Bilaspur Chhattisgarh

20th February 2009

Venue: Divisional Revenue Hall, Collectorate, Bilaspur

A one day workshop was organized at Bilaspur Chhattisgarh with an objective to sensitize and train the ground level functionaries in District Bilaspur on their roles and responsibilities in the implementation of Rastriya Swasthya Bima Yogna.

The following participated:

1. Chief Medical and Health officer (1)
2. District Health Officer (1)
3. Programme officers(3)
4. Block Medical officer (4)
5. District Media officer (1)
6. Block extension and training officers (8)
7. Medical officer (3)
8. District Programme Manager(1)
9. District Data Assistant(1)
10. MPS (6)
11. Health Workers (20)
12. Other District officials (4)
13. GTZ consultant(1)
14. Local IA representative (2)
15. TPA (1)- Medsafe India
16. Rep from Labor commissioner Raipur (1)

The workshop started with welcome address by the District Health officer, who gave brief about the programme and welcomed all the participants. The Chief Medical and Health officer joined later.

Dr K Madan Gopal, GTZ consultant made a detailed presentation covering all aspects of the programme.

TPA Mr. Vinay Richaria then explained the whole process of enrollment including Key Management System and the role the field key officer will play. Dr Madan Gopal further detailed on how to help TPA in making road map/ enrollment schedule and how to help in mobilizing beneficiaries during the enrollment process. He highlighted the role to be played by Field Key officer and requested all the participants to start mouth publicity about this scheme in their institutions. He also mentioned about the incentives for the FKO and the participating health institutions and the providers.

Mr. Shailender Singh explained the DKMA software. DKMA and FKO cards were issued to the CMHO and the District Data Assistant was deputed to understand the working DKMA software and was asked by CMHO to be in touch with Mr Shailender Singh.

The Chief Medical and Health officer assured all help and support for making this programme successful.

This was followed by video on enrollment process and transaction process.

In the end, the TPA and consultant tried successfully to answer questions and queries from the participants.

The workshop ended in a positive note.

Presentations: enclosed.
